

IN BED FOR MONTH, FIRST DOSE PUTS STOMACH VICTIM ON FEET

VIRGINIAN IS RESTORED BY WONDERFUL REMEDY AFTER DOCTOR LABORS FOR FORTY DAYS.

William M. Stewart, Jr., of Kinland, Va., was sick in bed for month troubles. For more than a month a physician treated him with no success, according to the patient. Then Mr. Stewart took a dose of Mayr's Wonderful Stomach Remedy. Right away he got up and began eating. He wrote:

"I took the sample treatment I received from you and it did me a wonder of good. I was in bed when I began your treatment. I had been tortured by a physician for forty days without relief. After taking the first treatment of your medicine I got up and am now able to be about. Before I couldn't eat anything without terrible pains. Your medicine is simply wonderful."

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and cruetate undigested food; breath foul, tongue coated—just take a little Paper's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Paper's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

Avis To Contest The Election Of Mr. Littlepage

MAJORITIES REPORTED IN SEVERAL COUNTIES ARE QUESTIONED.

REPUBLICAN CANDIDATE BELIEVES THAT HE CARRIED KANAWHA COUNTY.

CHARLESTON, W. Va., Nov. 6.—Congressman S. B. Avis, Republican, who on the face of the incomplete returns available on Tuesday's election was defeated by Adam B. Littlepage, Democrat, will contest the election of Littlepage for congress in the Third district. Congressman Avis questioned the reported majorities for Littlepage in Webster, Greenbrier and Summers, and believes his own majority in Fayette will be greatly increased when the canvass of the vote is made. He also believes he has carried Kanawha county, the home county of both candidates. In a large number of the precincts in the several counties the tally sheets were sealed up with the returns, which will not be opened until the canvass is made.

B. & O. Schedule To Be Changed November 29

FEW CHANGES ARE EXPECTED WHEN WINTER TIME TABLE BECOMES EFFECTIVE.

GRAFTON IS CLAMORING FOR BETTER CONNECTIONS WITH LOCAL TRAINS.

While it is known among railroad men that there will be a change in the schedule of passenger trains on the B. & O. on November 29, when the fall schedule will go into effect, it is believed that very few changes will be made and no trains will either be added or taken off at this time. The railroad people say that this is due to the fact that the present schedule is the most satisfactory yet maintained on the local divisions.

Although the new schedules have not yet been announced it is understood and will be given out to the public within a week or ten days.

Grafton Wants Change.
GRAFTON, W. Va., Nov. 10.—In connection with the annual fall schedule of the Baltimore and Ohio Railroad company, a request has been made by local people of the B. & O. officials that some sort of connections be made between No. 2, Grafton to Cumberland. At present No. 6 from Fairmont and No. 6 from Clarksburg meet here each morning about 8 o'clock. The Fairmont train is held over and goes as the G. & B. at 9:15. The train for Cumberland leaves at 8:05 a. m. No. 2 arrives here from Bellington at 8:40 a. m. The request is made that, if practicable, the time of these trains be changed so as to give connections between them. It was pointed out that G. & B. passengers for the east must necessarily wait here for six hours, according to present arrangements.

It is understood that such a change in order to make connections would require considerable re-arrangement of schedule at Fairmont where connections are made by No. 6 with the Pittsburgh train.

The biggest game win everywhere. Even Cannon pulled through in Illinois.
